A robbery was reported to the Department of Public Safety this morning (June 1). A student was approached with a weapon at the rear of an office in the 2000 block of Wisconsin Avenue about 7:45 a.m. The student surrendered cash, was inappropriately touched and pushed to the ground. The subject fled eastbound in the alley. The victim returned to her apartment, and her roommate notified DPS about 9 a.m.

The subject is described as a black male, 25 to 30 years old, 5 feet 10 inches tall, slim build, dark complexion, short black hair, wearing a gray T-shirt and blue jeans. DPS and Milwaukee Police Department personnel responded.
