Hi, Anahi,

Could you tell me what the current deal with The Vagina Monologues is?

I know several of your group talked to Chris Miller a week ago Friday.

The Marquette performance is not now listed on the Vday website.

I'm just trying to do an update on this, and wondering what the deal is.

The Vagina Monologues will be performed on campus through the women of Empowerment.

If you would like to know more feel free to ask me through email or if you feel the need to call me please do so on my cell phone (414) [redacted]. I know you called my home earlier today. I don't recall putting that information up on the website but if I did that is not correct, so I apologize for that.

According to the Vagina Monologues website, there are going to be performances on campus, and you are the contact.

Can you confirm that this is the case? Under what auspices will the performance be staged (a student organization, Honors Program, etc.)?

Any information you can give me will be appreciated. If you want to call me at 288-3425, I'd be happy to talk.
